### Week 1

- 1. Malta Knights Extravaganza** - Malta Nights Extravaganza promises an evening to remember. A cast of talented dancers dressed in rich, elaborate costumes take you through a historic journey of Malta through the ages, starting from prehistory, right up to the present times. The two-hour Live Musical Dinner show features various memorable numbers related to Maltese folklore, tradition and history.
- 2. Try Dive** - If you are a beginner, the island of Malta offers you the easiest conditions to start your diving experience - crystal clear warm and shallow points for your try dive and any other PADI scuba diving courses. For experienced divers (no matter what level), Malta also boasts an amazing selection of safe wrecks and caves at different depths.
- 3. Mdina Guided Tour (by licensed guide / a trip to Mdina Crafts Village included)** - Mdina is the old capital city of Malta. It lies in the center of the island and is a typical fortified medieval city. The "Silent City" as it is also known, commands an imposing view of the island and although it's fully inhabited, quietness reigns supreme.
- 4. The Malta (audio-visual) Experience** - Discover the island and its amazing history at **The Malta Experience**, Malta's Premier **Historical attraction** located in the capital city of Valletta. Sensational vision and a gripping commentary (available in 15 different languages) bring 7000 years of island history to life, in a purpose-built auditorium.

### Week 2

- 1. Valletta Guided Tour (by licensed guide)** - Founded in 1565 by the Order of St John as a refuge for soldiers returning from the Crusades, Valletta is now the capital of Malta and a piece of living history. With an unsurpassed collection of original Baroque architecture, fortified city walls overlooking the Mediterranean Sea, and the spectacular co-Cathedral of St John featuring intricately carved stone vaults and a famed painting by Caravaggio, it is no wonder that this smallest of European capital cities is a world heritage site.
- 2. Hop-on Hop-off Bus Tour** - The Malta Sightseeing Hop-on Hop-off service offers a practical tour service linking all the popular places of interest on the Maltese islands and more. The open top double-decker busses can be utilized during the 300 days of sunshine Malta gets every year.
- 3. Harbour Cruise** - Visit the two natural ports in the southern part of the island - Marsamxett and the Grand Harbour. You'll get to see great views of the historic fortifications from the seaward side. It's an outstanding tour for professional and amateur photographers alike!
