

## General English Semi-Intensive

General English (Beginner to Advanced level). This course is designed to help students improve their communication skills. Teaching is focused on the four essential language skills: speaking, listening, reading and writing. Special attention is paid to vocabulary, grammar and language fluency. Students are encouraged to use the English language by means of role-play, group discussions and a variety of real life situations.

The course programme is 20 sessions of 45 minutes each per week.

## General English Intensive

General English (Beginner to Advanced level). This course is designed to give the student a solid, structured foundation in the English Language. It is ideal for students who wish to improve their fluency in a relatively short time. Teaching is focused on the four essential language skills: speaking, listening, reading and writing. Special attention is paid to vocabulary, grammar, conversation, and pronunciation. Students are encouraged to use the English language by means of role-play, group discussions and real life situations. There are regular tests to monitor students' progress.

The course programme is 30 sessions of 45 minutes each per week.

## General English One-to-One

Individual tuition has the advantage of giving the student personal attention as well as the opportunity to concentrate on specific areas of language requirements.

The student can choose the number of sessions required. Lessons are of 45 minute duration.

One-to-One tuition is also available for each of the exam preparation courses.

Cambridge Preparation Courses – General English

## KET

KET (Key English Language Test) is at Level 1 in the Cambridge system. KET recognises the ability to cope with everyday written and spoken communication at a basic level. It is often chosen as a first step for students aiming to take the higher Cambridge examinations.

The course programme is 30 sessions of 45 minutes each per week.

## PET

PET (Preliminary English Test) is at Level 2 in the Cambridge system. PET covers the four main language skills: speaking, listening, reading and writing. It is the ideal choice if you feel comfortable using your English in everyday situations. PET is recognised by employers as a valid indication of a student's language level and is recognised by some universities as an initial qualification in English.

The course programme is 30 sessions of 45 minutes each per week.

## FCE

FCE (First Certificate in English) is at Level 3 in the Cambridge system. FCE is widely accepted in commerce, banking, industry, airlines and tourism. It fulfils the English language entrance requirements for some universities and colleges.

The course programme is 30 sessions of 45 minutes each per week.

## CAE

CAE (Certificate in Advanced English) is at Level 4 in the Cambridge system. CAE indicates a high level of language competence for candidates wishing to use English for study or professional purposes. It fulfils the English language entrance requirement for the majority of British universities and higher education institutions.

The course programme is 30 sessions of 45 minutes each per week.

## CPE

CPE (Certificate of Proficiency in English) is at Level 5 in the Cambridge system. CPE indicates a level of competence, which fulfils the English Language entrance requirement for British universities and many universities in other English-speaking countries. It is also accepted by other institutions of higher education and professional bodies throughout the world. CPE is a very valuable certificate because in some countries, it provides exemption from local English language requirements. It can be accepted for admission to courses, or for employment, where a thorough knowledge of English is required.

The course programme is 30 sessions of 45 minutes each per week.

## IELTS Preparation Course

IELTS (International English Language Testing System) is designed to assess the language ability of candidates who needs to study or use English as a language of communication. Certification is widely accepted by educational institutions and it is advantageous for entry to training courses, recruitment and for immigration purposes. It is an important qualification for any student wishing to study for a degree course at a university in the UK or Australia. Our IELTS preparation course will help you develop the essential examination skills. The combination of this advanced preparation and intensive language training will enhance your chances of success.

The course programme is 30 sessions of 45 minutes each per week.

## TOEFL

TOEFL (Test of English as a Foreign Language) is an American examination. The TOEFL certificate is an internationally recognise examination. It is required by American and Canadian universities, and by colleges and universities in many other English speaking countries around the world. In Europe, TOEFL is used by institutions where English is the language of instruction. Many government agencies, scholarship programmes, and licensing certification agencies use TOEFL scores to evaluate English proficiency.

During the course, TOEFL language training will be supplemented by regular tests to practice language skills under examination conditions.

The course programme is 30 sessions of 45 minutes each per week.

## General Business English Semi-Intensive

General Business English courses are designed for people who need to improve their business English vocabulary and communication skills to enable them to work in an English-speaking business environment.

Particular attention is paid to the importance of communication in the work place – particularly at meetings, on the telephone and face to face with colleagues, customers and suppliers. Students are encouraged to use the Business English language by means of role-play, group discussions and a variety of real life situations.

The course programme is 20 sessions of 45 minutes each per week.

## General Business English Intensive

General Business English Intensive courses are designed to give you the necessary English language skills to communicate effectively in business situations including corporate and social functions. Tuition includes conversation, pronunciation and colloquial English as well as grammar, vocabulary, terminology and idioms. Students are encouraged to use the Business English language by means of role-play, group discussions and a variety of real life situations.

The course programme is 30 sessions of 45 minutes each per week.

## Business English One to One

Business English One to One gives you the opportunity of a tailored course in which you can choose the subject, time and intensity of your course schedule.

The student can choose the number of sessions required. Lessons are of 45 minutes duration.

## Cambridge Preparation Courses – Business

### BEC

BEC (Business English Certificate) is an internationally recognised qualification that shows employers your skills for using English in the workplace. It is an ideal English Language exam if you are preparing for a career in business. BEC is officially recognised by more than a thousand educational organisations, employers, ministries, government bodies and professional organisations throughout the world as a suitable qualification for business use.

BEC Preliminary is at Level 1 - an equivalent level to PET

BEC Vantage is at Level 2 - an equivalent level to FCE

BEC Higher is at Level 3 - an equivalent level to CAE

All three courses cover the four skill areas of speaking, listening, reading and writing with vocabulary, terminology and idioms focused on a business environment.

The course programme is 30 sessions of 45 minutes each per week.

## Teachers Courses

### TKT Preparation Course

TKT (Teachers Knowledge Test) is a test from Cambridge ESOL about teaching English to speakers of other languages. It aims to increase teachers' confidence and enhance job prospects by focusing on the core teaching knowledge needed by teachers of primary, secondary or adult learners, anywhere in the world. The course enables you to understand:

different methodologies for teaching.  
'the language of teaching'.  
the ways in which language can be used.  
the key aspects of lesson planning.  
classroom management methods for different needs.

TKT is used by many governments, education authorities and teacher-training bodies to meet diverse requirements.

TKT can be used to benchmark teaching programmes against international standards.  
TKT gives institutions the opportunity to offer dual certification (local and international) to graduating teachers.  
TKT can be used to meet the needs of teachers at different stages in their English language teaching careers.  
Success in TKT indicates that teachers have a strong understanding of core classroom skills.

TKT is currently being used in: Brazil, Chile, Colombia, Czech Republic, Ecuador, Egypt, India, Ireland, Italy, Japan, Mexico, Portugal, Romania, Serbia, Sri Lanka, Thailand and Vietnam.

The course programme is 40 sessions of 45 minutes each per week.
